

# Year 1 Curriculum Meeting

Teaching staff:-

Miss Pickard  
Mrs Goodwin  
Mrs Griffiths

Mrs Pullinger  
Mrs Monti  
Mrs Williams

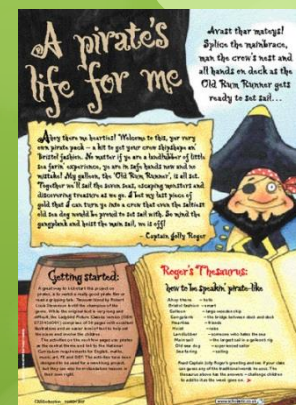

# CURRICULUM THEMES

- Each term we will be covering a specific topic. These topics are cross curricular and children are encouraged to continue their learning at home through their school project.

- Autumn 1: How can we tell if humans are animals?
- Autumn 2: How is the night different from daytime?
- Spring 1: How have toys changed?
- Spring 2: How did pirates find their treasure?
- Summer 1: How do plants change with the seasons?
- Summer 2: How would an alien describe our world?

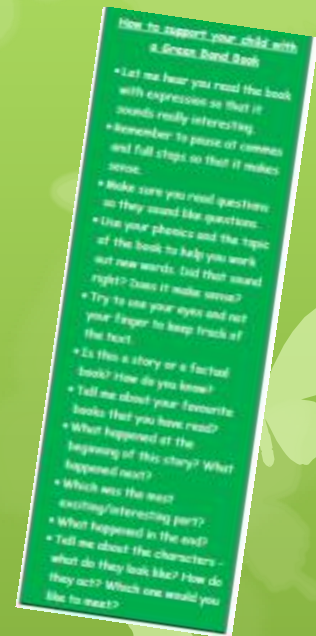

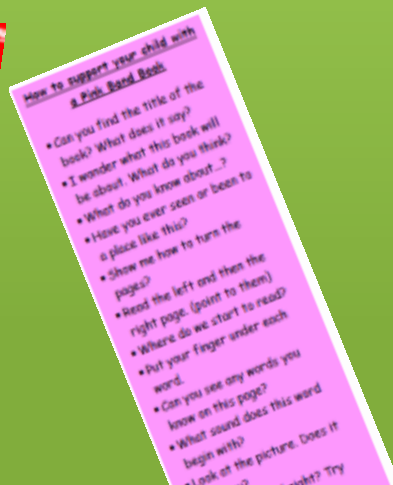

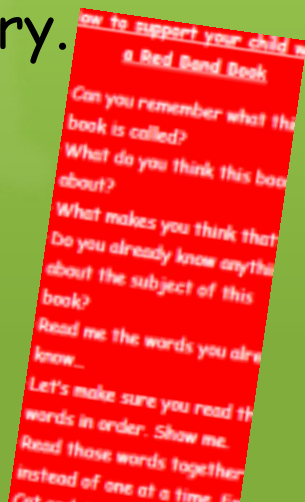

# READING

- Reading is hugely important and is an indicator of future success.
- Partnership between home and school.
- Our school vision - we want our children to become fluent, independent readers who enjoy books and read for pleasure.
- This year you can continue to earn points each week to receive certificates and badges.
- Children who earn their Gold badge get an ice cream at the end of the school year.

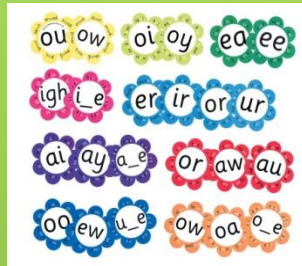

- Expectation is for children to read to or with an adult at least 5 times a week. Listen to your child read and also read to your child.
- Discuss what has been read - use book band bookmarks to help with questioning.
- Date and mark page number or if finished in Home/School diaries and any brief comments.
- Encourage them to put finger under words as they read.
- They will use the phonics taught at school to help sound out these words.
- Children will also enjoy a weekly visit to the school library.

# Phonics

- Children will have daily phonics lessons.
- The majority of children will practise digraphs and trigraphs in Year 1.

- Children will practise segmenting and blending which will help to support their spelling and reading.

- Correct pronunciation of each sound is really important.

[https://www.youtube.com/watch?v=BqhXUW\\_v-1s](https://www.youtube.com/watch?v=BqhXUW_v-1s)

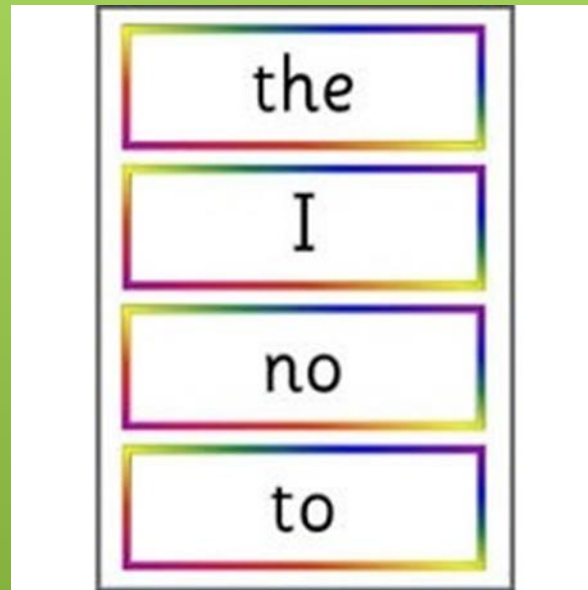

# Phonics

- Children need to know letter sound and letter name.
- We will check the children's progress with their sounds. This information will be recorded in their reading records.
- In June the children will take part in a Phonic Screen to check their decoding and blending skills.
- The check consists of 40 words and non-words 'Alien' words.
- You can help at home by playing games such as buried treasure on the Phonics Play website.

# Tricky Words

- Tricky words cannot be sounded therefore they cannot be segmented and blended to read.
- The children need to learn these words by sight.

# Phonics Workshop

- Mrs Goodwin will be running a Phonics Workshop for Year 1 parents/carers on Thursday, 4<sup>th</sup> October from 2.15pm to 3.00pm in the Green Hall.

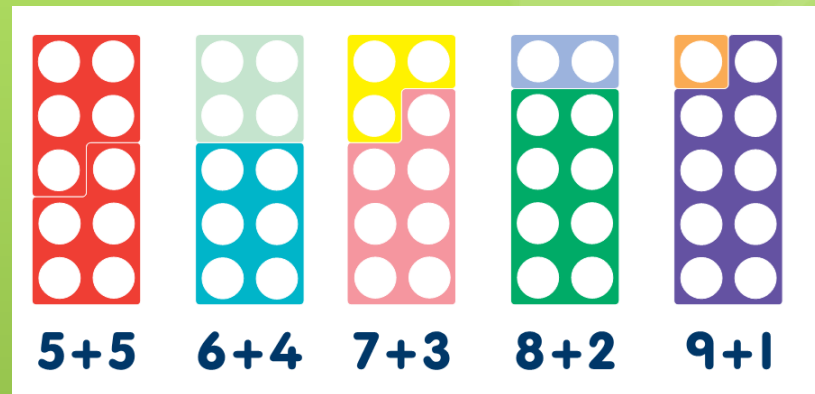

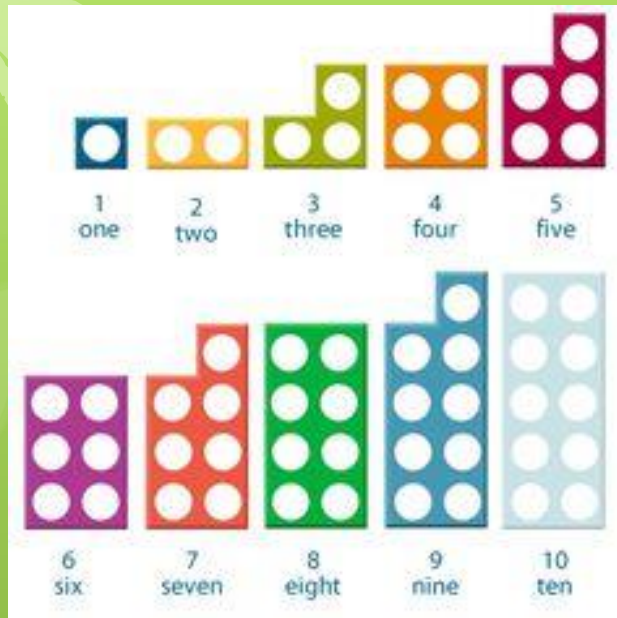

# Maths

- Maths work will cover aspects of place value, addition and subtraction, multiplication and division, fractions, length and height, time, money, shape and weight and volume.

- The children will be given homework to support and consolidate work they are learning in school. This may be a link to a game or a paper based activity.
- Homework will be given out on a Friday to be returned by the following Friday.

- We have a range of resources to support their learning e.g. Numicon

- You can help by looking at price labels, checking their number formation, or seeing what shapes you can discover in your kitchen cupboards! Play 'I'm thinking of a number', count the steps to school or try a board game.

- The children will also be given Maths targets to work on at home. These will be stuck into their Home/School diaries. They will be changed after being assessed in school.

LO: To know the days of the week.

Must: Name days of the week.

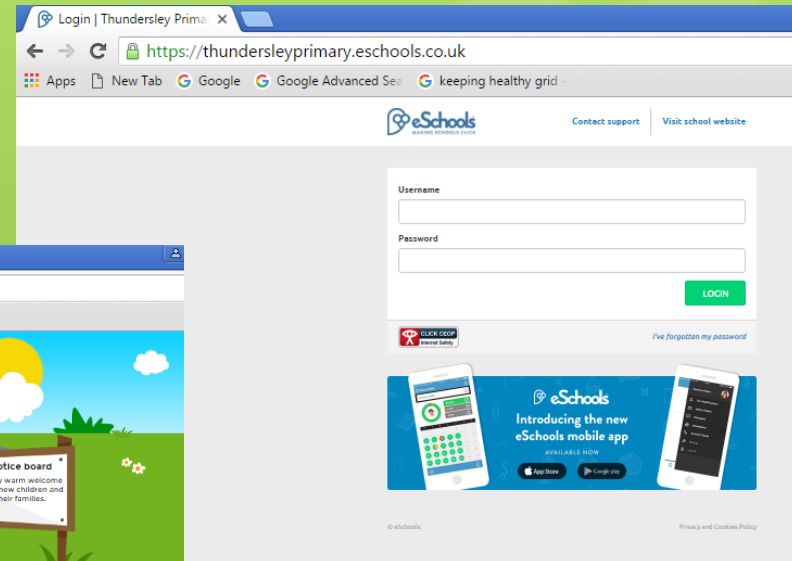

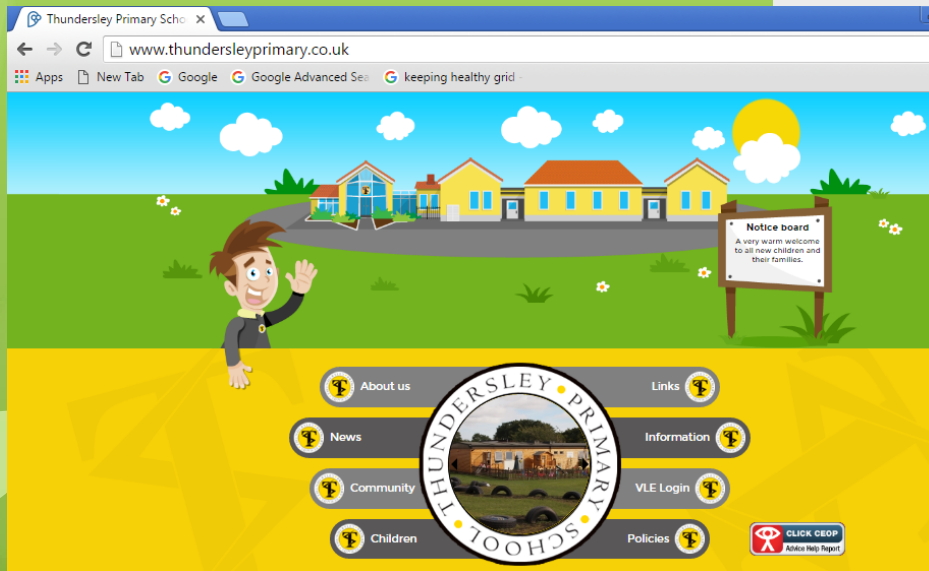

Should: Name all the days in order.

Could: Reason with days e.g. if today is Thursday tomorrow will be.

Challenge: Spell the days of the week.

# VLE

A VLE or Virtual Learning Environment is a system for delivering learning materials to students via the web.

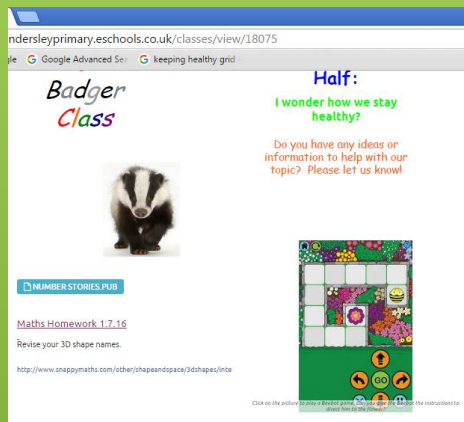

The children can access the login page directly or by using the tab on the Thundersley Primary website.

- The children have a username and a 4 digit password.

- Their username is often their first and last name with a full stop in the middle e.g. john.smith (no spaces)

- There will be useful information on the homepage such as details about our topic and links to useful websites. It is a place where we can display work or photographs of things covered in school.

# Homework

**Reading** - Books changed in class.

- Record in Home/School Book.
- Class and whole school reward system.
- Shared reading.....acquire a love of reading.....longer attention span/builds listening skills and imagination/enriches vocabulary/quality time.

**Phonics** - Assessments in class. If needed activities will be sent home. Class Teacher will talk to parents/carers.

**Spellings** - 100 Key Word assessment in class. Recognition of a group of words (on sight) will lead to spelling of these words. Usually checked once a week and new ones issued.

**Maths** - Consolidate weeks learning. Paper based or game. Issued on a Friday to be back following Friday. Homework kept in class.

**Topic** - Every term based on a theme.....animals or day and night (can do both). Project based (painting, writing, model). Celebration/sharing in class/certificate.

**Big Talk and Big Write** - Children not sent in cold to written task. Share ideas. Discussion/question sent home - SHARE IDEAS AND DISCUSS VERBALLY.

# PE/Library

## PE - Thursday

- full PE kit in school - plimsolls, black shorts, yellow t-shirt with logo and plain coloured tracksuit for outdoor P.E. (optional). Please clearly label all items.

## Library- Tuesday

# Trips/Visits

**Trips/Visits** - linked to learning within class

- topic opener or finisher - WOW
- usually one per term
- Old Macdonald's Farm - Tuesday, 9th October 2018
- Belfairs Woodland Centre - Summer Term

If you would like to be considered to help on a trip you must be DBS checked. Please see Mrs Bezdel.

# Parent/Carer Involvement Sessions

**Thursday, 8<sup>th</sup> November 2018 – 2.00pm to 3.00pm – Maths**

**Monday, 11<sup>th</sup> February 2019 – 2.00pm to 3.00pm – A Musical Celebration**

**Tuesday, 18<sup>th</sup> June 2019 – 2.00pm to 3.00pm – Alien Art**

# Other Events

## Autumn 1

Parent/Carer Consultations

Monday, 8th October 2018 1.30pm to 3.30pm and

Thursday, 18th October 2018 3.30pm to 7.00pm

## Autumn 2

KS1 Nativity - 5th December 2018 (afternoon)

6th December 2018 (evening)

Pantomime - Tuesday, 11th December 2018

Christmas parties

# Other events

## Spring 1

HRSE - Parent/Carer workshop

## Spring 2

Reports out

# Other Events

## Summer 1

May Day

## Summer 2

Phonics Screen week 10th - 14th June 2019

Sports day

PTA Summer Fair

Parent/Carer Consultations July 2019

# Sharing information with Parents/Carers

**Sharing information** - work together

- classroom windows

**Open door policy** - see adult within the classroom.....nothing too small!

Any Questions
